## ABOUT US

Harkut, a family owned and operated since 1969, has one of the largest and most comprehensive ranges of furniture available. We focus on value for money, quality service and ongoing relationships with our customers. Our aim is to continue to supply the best quality furniture at the best possible price.

At Harkut Furniture, we have the range, the service, the quality and the price – and “of course we do deliver”!

We manufacture high quality Steel Almirah and Iron Air Coolers. In addition, we also engaged in trading and supplying of Dressing Table, Filling Cabinet, Steel Table, Folding Chair, T.V. Trolley, Molded Chair, Wall Fixing Almirah, Office Chair, and many more.

We never compromises with the quality. We consider the quality a key feature which consistently carries forward any organisation towards the tremendous growth and success.

### Why Choose Us?

- Proven track record of supplying quality products
- Sophisticated manufacturing unit
- Customization & timely delivery
- Best industry price
- Efficient quality control
- Experienced and proficient team
- Procurement of raw material from authentic vendors.

# HARKUT

Electronics & Furniture

A reception sofa provides ample sitting room for your clients and other visitors. While some small offices may only need a couple of chairs in their waiting areas, many other businesses will find it beneficial to offer visitors a greater amount of seating. Sofas are an ideal choice for offices that receive regular traffic, particularly if your clientele includes families or client groups. A clean, attractive sofa can add to the welcoming atmosphere of your reception area, allowing visitors to feel at ease while they wait.

## SOFA SERIES
